ENXRGIZE PRIVACY POLICY

This document was last updated on 10 July 2021.

This Privacy Policy governs the collection, usage, and protection of information provided to Conglxmerate Inc. upon the use of applications, websites, software, subscriptions, services, products, and/or goods (“Services”) offered by Conglxmerate Inc. through and within the Enxrgize platform (“Conglxmerate”, “Enxrgize”, “us”, “we”).

We use personal information only for providing and improving the website. By using any Services provided by Conglxmerate Inc. and/or Enxrgize, you hereby agree to the collection and use of information in accordance with this policy. The following is an outline of said policy:

- We will collect and use personal information solely with the objective of fulfilling those purposes specified by us and for other compatible purposes, unless we obtain the consent of the individual concerned or as required by law.
- We will only retain personal information if necessary for the fulfillment of those purposes.
- We will collect personal information by lawful and fair means and, where appropriate, with the knowledge or consent of the individual concerned.
- Personal data should be relevant to the purposes for which it is to be used, and, to the extent necessary for those purposes, should be accurate, complete, and up to date.
- We will protect personal information by reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use or modification.
- We will make readily available to customers information about our policies and practices relating to the management of personal information.

DEFINITIONS

"Non-Personal Information" is information that is not personally identifiable to you and that we automatically collect when you access our Services. It may also include publicly available information that is shared between you and others.

"Personally Identifiable Information" is non-public information that is personally identifiable to you and obtained in order for us to provide you within our Services. Personally Identifiable Information may include information such as your name, email address, and other related information that you provide to us or that we obtain about you.

PERSONAL INFORMATION COLLECTED

Generally, you control the amount and type of information you provide to us when using our Services. You are not required to provide us with any Personally Identifiable Information as a user.

We collect personal information whenever you provide it to us. This personal information may include the following:

- Name, addresses, email addresses, telephone numbers, and information connected to our Services through our third-party affiliates.
- Transaction-related information (such as credit card or other preferred means of payment, billing information, credit card number, expiration date, billing address and/or a history of purchases through our Services).
- Customer service information about you as a user of our Services; and
- Other information specifically related to your use of Services, including information that you publicly post using tools made available by us.

COMPUTER INFORMATION COLLECTED

When you use our Services, we automatically collect certain computer information by the interaction of your mobile phone or web browser with our Services. Such information is typically considered Non-Personal Information. We also collect the following:

- **Cookies:** our Services may use "Cookies" to identify areas of our Services that may you have visited. A cookie is a small piece of data stored on your computer or mobile device by an application, often a web browser. We use cookies to personalize the content that you see on our Services. Most browsers can be set to disable the use of cookies. However, if you disable cookies, you may not be able to access functionality on our Services correctly or at all. We never place Personally Identifiable Information in Cookies.

- **Geographical Information:** when you use our Services, we may use global positioning technology (or other similar technology) to determine your current location to determine the city you are in and display information with relevant data or advertisements. We will not share your current location with other users or partners. If you do not want us to use your location for the purposes set forth above, you should decline the use of location services for our Services located in your account settings or in your device settings and/or within our Services.

- **Automatic Information:** we automatically receive information from your device. This information may include the name of the website from which you entered our Services, if any, as well as the name of the website to which you are headed when you leave our website. This information also includes the IP address of your computer/proxy server that you use to access the Internet, your Internet Website provider name, web browser type, type of mobile device, and computer operating system. We also collect metadata from or about any message(s) sent via our email and text platforms, including but not limited to, email addresses, phone numbers, etc. We use this information to analyze trends among our users to help improve our Services.

- **Log Data:** like many platforms, we collect log data, which is information that your device sends whenever you use our Services. This log data may include, but is not limited to, information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the parts of our Services that you visit, the time and date of your visit, the time spent on those pages and other statistics, etc.

Our Services are not directed to persons under the age of 18 years. We do not knowingly collect Personally Identifiable Information from children under 18 years. If a parent or guardian becomes aware that his or her child has provided us with Personally Identifiable Information without their consent, they should contact us at support@conglomerate.com. If we become aware that a child under 18 years has provided us with Personally Identifiable Information, we will delete such information from our records.

HOW WE USE INFORMATION

We use the information we receive from you as follows:

- To respond to any enquiries which you make to us relating to any of our Services.
- To monitor site usage to develop and administer our Services.
- To promote our services to you, as well as the services of our vendors and third-party affiliates.
- To deliver communications (i.e., newsletters), and other correspondence to which you subscribe.
- To conduct other marketing activities.
- To respond to your inquiries and other correspondence, or request that you provide feedback to us.

HOW WE SHARE YOUR INFORMATION

We may disclose your personal information to:

- Our vendors, service and infrastructure providers, and third-party affiliates.
- Investors, chairmen, and donors
- Law enforcement and regulatory agencies in connection with any investigation to help prevent unlawful activity or as otherwise required by law.

REASONS FOR COLLECTING PERSONAL INFORMATION

We may use your information in the following ways:

- Where it is necessary to perform our contract with you.
- Where you have provided consent and can withdraw this consent at any time.
- Where it is necessary for our legitimate interests as a business.
- Where it is required by law.

YOUR RIGHTS

You have several rights under data protection legislation. These include:

- **Right of access**: you have the right to know what information we have from you and to ask, in writing, to see your records. We will provide you with details of the records we hold as soon as possible and at latest within 3 months if the request is not complex. We may require proof of identity before we are able to release the data.
- **Right to be informed**: you have the right to be informed how your personal data will be used. This policy, as well as any additional information or notices, that are provided to you either at the time you provided your details, or otherwise, is intended to provide you with this information.
- **Right to withdraw consent**: where we process your data based on your consent (i.e., to send you marketing emails or texts), you can withdraw that consent at any time.
- **Right to object**: you also have a right to object to us processing data where we are relying on it being within our legitimate interests to do so (i.e., to send you direct marketing by post).
- **Right to restrict processing**: In certain situations, you have the right to ask for processing of your personal data to be restricted because there is some disagreement about its accuracy or legitimate usage.
- **Right of erasure**: In some cases, you have the right to be forgotten (i.e., to have your personal data deleted from our database). Where you have requested that we do not send you marketing materials we will need to keep some limited information to ensure that you are not contacted in the future.
- **Right of rectification**: If you believe our records are inaccurate you have the right to ask for those records concerning you to be updated. To update your records, email us at support@restxre.com.
- **Right to data portability**: Where we are processing your personal data because you have given us your consent to do so, you have the right to request that the data is transferred from one service provider to another.
To exercise any of the rights, or for any questions regarding them, email us as support@conglxmerate.com.

LINKS TO OTHER SERVICES

Our Services may contain links to other services that are not under our direct control. These services may have their own policies regarding privacy. We have no control of or responsibility for linked websites and provide these links solely for the convenience and information of our visitors. You access such linked services at your own risk. These services are not subject to this Privacy Policy. You should check the privacy policies, if any, of those individual services to see how the operators of those third-party services will utilize your personal information. In addition, these websites may contain a link to services of our affiliates. The services of our affiliates are not subject to this policy, and you should check their individual privacy policies to see how the operators of such services will utilize your personal information.

PAYMENT CARD INFORMATION

Please note that users can submit credit card or other payment information to pay for a subscription or service. We do not receive this information itself. Payment card information is transmitted directly to a third-party payment card processor, through a secure internet connection. The third-party payment processor then communicates to us whether your payment has cleared or not, but do not provide payment card information to us.

CALIFORNIA DO NOT TRACK DISCLOSURES (DNT)

We do not respond to Do Not Track (DNT) signals. No standard for DNT signals exists for our Services and we are therefore not responding to DNT signals.

SECURITY

The security of your personal information is important to us but no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security. We utilize practical protection measures to safeguard against the loss, abuse, and modification of the individual Data under our control. Personal Data is kept in a secured database and always sent out by means of an encrypted SSL method when supported by your web browser. No web, email, or text transmission is ever completely protected. You must take good care in deciding what information you send to us.

RETENTION OF INFORMATION

We will retain your information for no longer than is necessary for the purposes for which we collected it, or for as long as we have your consent to do so where your consent is our legal basis on which we process such data. All retained data will be held subject to this policy.

PRIVACY POLICY UPDATES

We reserve the right to modify this privacy policy at any time, so please review it frequently. Changes and
clarifications will take effect immediately upon their posting on the website. If we make material changes to this policy, we may not be able to notify you that they have been updated.

QUESTIONS

We are committed to conducting our business in accordance with these principles to ensure that the confidentiality of personal information is protected and maintained. If you have any questions/complaints about our privacy policy, you can reach us at support@conglxmerate.com.
